What We Do

- Pre-recorded sessions: "ARIN Overview" and "Introduction to Internet Number Resources"
- ARIN's Policy Development Process, what to expect, and how to contribute at an ARIN Meeting
- ARIN 55 policy block overview and discussion
- Introduction to the Number Resource Organization Number council and global Internet policy
- Breakout rooms with Mentors for additional questions

Do you want to ...

- Gain understanding of Internet number resources?
- Bring your voice to the discussions at an ARIN Meeting?
- Network with the Internet community?
- Learn more about ARIN and be more involved in the community?

Then apply to be an ARIN 56 Fellow!

- Applications for the next Fellowship Program will open in July
- Virtual sessions will begin in late September
- Selection Committee reviews and selects applicants for either virtual or in-person participation
- Selection includes participation at NANOG 95
