North American Network Operators Group

- NANOG is a membership organization
- Organized as an 501(c)3 non-profit
- Focused on the technologies and systems that make the Internet function

History

- NANOG evolved from the NSFNET “Regional-Techs” meetings.
- In February 1994, the group revised its charter to include a broader base of network service providers, adopting NANOG as its new name.
- In February 2011, NANOG became an independent membership organization.
- NANOG Meetings are key venues for operational staff to come together and discuss technical operations in a frank and open manner.

Attendance Charter

Attendance Charter
