Being more like Dolly...

... means removing the barriers to participate

How can we capture more voices and opinions at the mics and during polls?

Online polling app with more flexible options than yes/no

How can we improve policy understanding for our ESL members?

Provide NRPM, PDP, Discussion guides in alternate languages

How can we improve person-to-person communication in hybrid meetings?

???

Other Ideas? What gets **YOU** excited about participating?

Speaking of participating...
