What was the last functionality added to ARIN Online?

The image shows a screenshot of the ARIN Online login interface. At the top, the ARIN logo is displayed with the text "American Registry for Internet Numbers" below it. The main heading is "ARIN ONLINE". Below this, a note states "Username and password are case sensitive." There are two input fields: "username:" with a link "new user?" and "password:" with a link "assistance". Below the password field is a "log in" button with a right-pointing arrow. At the bottom of the login area is a link "About ARIN Online". At the very bottom of the screenshot is a "IPv6 ENABLED" logo.
