3 ARIN on the Roads

ARIN has a long history of service to the Caribbean region and is sensitive to the unique challenges, opportunities and priorities of the region

Caribbean Priorities

Raising Our Profile in the Caribbean

- Build Awareness of ARIN mission and services

Expanding Our Community

- Grow Caribbean Participation in ARIN and its policy development process

Strengthening and Expanding Our Partnerships

- Strengthen relationships with key ARIN partners in the Caribbean

Caribbean Priorities : Raising's ARIN's Profile

INCREASING AWARENESS OF ARIN MISSION AND SERVICES

Greater Direct Outreach and Support to the region's Technical Community

Highlighting ARIN Priority issues and Policies

Encouraging greater onsite and remote participation in ARIN meetings

Encouraging Greater Contribution from the Region to ARIN Policy Development Process

Caribbean Priorities: Expanding ARIN's Community

GROWING ARIN'S SUPPORTING COMMUNITY BASE

Support for More Autonomous Networks

Facilitating IPv6 Deployment

Extending ARIN on the Road to New Territories

Encouraging Sign-up and Participating on Mailing Lists

Encourage applications to ARIN Fellowship Programs

Caribbean Priorities: Strengthening Partnerships

STRENGTHENING AND EXPANDING RELATIONSHIPS WITH KEY PARTNERS

Network Operators via CaribNOG and the CANTO

Governments, Regulators and Regional Agencies via Caribbean Telecommunications Union (CTU)

Internet Community via Internet Society, ICANN and Regional and National IGFs

Forge new alliances with the Organization of Eastern Caribbean States, Eastern Caribbean (OECS), Telecommunications Authority (ECTEL), Regional Governments and the Private Sector

Short Term Support Initiatives
