

**Recommended Draft Policy ARIN-2018-3: Remove
Reallocation Requirements for Residential Market
Assignments**

Staff Introduction

History

- Origin - ARIN-prop-253
- Draft Policy - 23 April 2018
- Recommended for Adoption - 24 July 2018
- Not yet presented at an ARIN meeting
- AC Shepherds: Joe Provo, Amy Potter

Staff and Legal Review (July 2018)

- **Staff Understanding**

- This policy will eliminate the need for ISPs that have residential subscribers and have assigned address space to their access infrastructure to register these assignments with ARIN. Section 4.2.3.7.3.1 (Residential Market Area) will be removed in its entirety.

Staff and Legal Review (July 2018)

• Staff Comments

- This policy will have negligible (if any) impact on RSD.
- This policy could be implemented as written.

Staff and Legal Review (July 2018)

- **Legal Assessment**

- The policy does not appear to create any material legal issue

Staff and Legal Review (July 2018)

• Resource Impact

- Implementation of this policy would have minimal resource impact. It is estimated that implementation could occur within 3 months after ratification by the ARIN Board of Trustees. The following would be needed in order to implement:
 - Update guidelines, documents and internal procedures
 - Staff training
 - There is no engineering work required
