

# Member Suggestion Process (MSP)

Scott Bradner  
ARIN BoT process geek

# What

- process by which ARIN members can make suggestions to ARIN about things
  - e.g.,
    - modify fee schedules
    - use excess revenue
    - create, change, delete services
    - ...

# ARIN Member

- fill out web form
  - author name & contact info
  - member rep
  - suggestion
  - arguments to support suggestion
- must be from member in good standing

# ARIN Staff/Legal Review

- staff & legal review
  - if fatal flaw
    - inform author why
      - author can send note to member list if they want to
  - if no fatal flaw
    - assign suggestion #
    - create web page
    - notify AC
    - clarification request OK

# ARIN AC Review

- AC reviews
  - using method of their own choice
- review at next monthly call
  - longer if during holiday/meeting etc
- AC can suggest combining suggestions
- AC comments (if any) added to web page

# ARIN Member Review

- URL of web page sent to member list
- $\geq$  10 working day review time
- comments added to web page

# ARIN BoT Review

- URL sent to BoT list
- BOT reviews using process of their own choice
- ARIN President announces BoT view  
if BoT support  
timetable for plan announcement
