Number Resource Organization

- Ongoing hobby: ICANN contract drafting
 - Producing Contract Drafts for
 - ICANN contribution
 - IANA Service Levels
- WSIS
 - Monitoring, coordinating, influencing
- Communications Coordination Group
- Engineering Coordination Group

WSIS History

- IG big issue concerning us
 - Others are Capacity Building, Financing, etc
- After Geneva Summit 2003:
Working Group on Internet Governance
- 40 participants, multistakeholder
- WGIG report
 - Published July 2005
 - See www.wgig.org
 - Four IG models
 - Forum

- PrepComm Geneva
 - no consensus on Internet Governance
- 3 Main Positions
 - US: “The UN will never run the Internet”, US will continue stewardship, recognising other states sovereign rights
 - Authoritarian Stance (China, Cuba, Saudi Arabia, Iran...): More governmental control
 - EU Surprise: “New Model needed”, in between other positions

- Pre-summit Prepcoms
- No clear result expected
- Outcome open, but ICANN will be affected
- Internet Community demonstrating Cooperation, Capacity Building etc pp
 - Under ISOC umbrella
 - RIPE NCC leading NRO effort
 - Seeking dialogue
