What's New?

Cyber Café – now playing

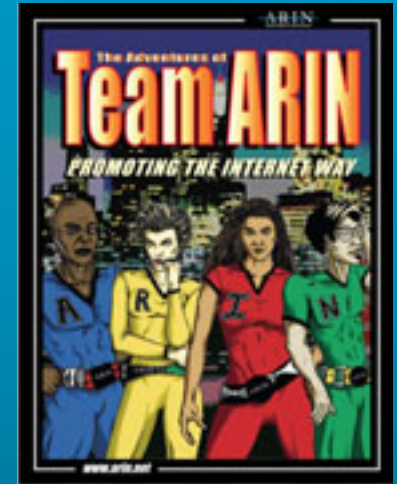

Wednesday, April 12, 2006

What's Ahead?

- ⇒ New flash presentations
- ⇒ IRPEP revisited
- ⇒ Customer Interface – requirements gathering

What's Ahead?

**Faster than a stream of packets,
More powerful than a bogon filter
Able to process an IP request in less than 2 days!
Look! Across in the CYBER CAFÉ
It's a Working Group, it's a Help Desk, It's TEAM ARIN!**

Yes, it's TEAM ARIN!

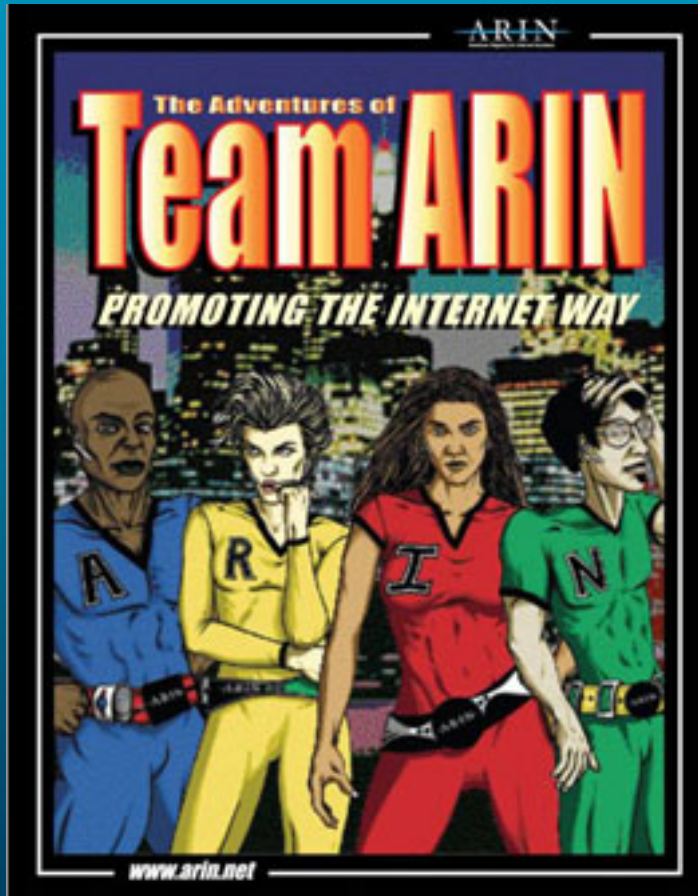

**Mighty visitors, who came to Calgary, Montreal, Las Vegas, Puerto Rico and other locales;
With powers and abilities far beyond those of any hacker.**

**TEAM ARIN! Who can facilitate the flow of policy discussions, provide open mailing lists;
And who, deriving their powers from the community,
All mild-mannered representatives of various organizations and viewpoints,**

**Fight a never-ending battle for ACCESS, RESPONSIBILITY, INFORMATION and NEUTRALITY
in number resource management!**
