

AC Report

Summary of Activities

October 13, 2006

Policy Process – Proposal Updates

- 2005-1, 2005-8, 2005-9: Adopted since last PPM
- 2006-1: Residential Customer Privacy
 - AC noted even though there exists some interest in this topic, the current policy as written did not have sufficient support to move forward.
 - Abandoned.
- 2006-2: Micro-Allocations for Internal Infrastructure
 - Moved to last call.

Policy Process – Proposal Updates

- 2006-3: Capturing Originations in Templates
 - Moved to last call.
- 2006-6: Withdrawn by author following ARIN process change
- 2006-?: (TBA) IPv6 Allocation Criteria

Other AC Activities

- AC continues to participate in other RIR meetings
- Various edits for clarity and grammar to the NRPM
- Engaged in IPv6 multi-homing BCP effort with the NRO (Marla!)
