ACSP Changes

Community prompted changes

- **October 2006**:
  - Modified text on Suggestion Form to clarify the submittal process
  - Note added on web page to refer ACSP process questions to info@arin.net
- **May 2007**: Format of ARIN responses changed to a more friendly tone
- **July 2007**: ACSP amended by Board - requires President to respond to submitter within 10 business days, stating either the action to be taken or providing a date to expect the statement of the action
