Introduction to the ARIN Policy Development Process

PDP Versions

- Current version is the 4th
 - The first one - April 2001
 - Two revisions
 - Major overhaul - January 2009

The current PDP

- Goal is clear, technically sound and useful policy
- Empowers the AC as a development body, balanced by expanded petitions
- Requires staff and legal assessments and freezes text prior to Public Policy Meetings

Total Draft Policies

- Active – 8
- Adopted – 55
- Abandoned – 43

Petitions

- **Petition to bring proposal to list and meeting**
 - Two successful*
 - One unsuccessful
- **Last call petition (to send to Board)**
 - One – unsuccessful

*One abandoned, one under discussion

Number Resource Policy Manual (NRPM)

- **NRPM is ARIN's policy document**
- Current Version
 - NRPM 2010.1 (13 Jan 10)
 - This is the **18th** version
- Change Log – tracks changes
